

Dillard High School

ACADEMY OF HOSPITALITY & TOURISM

What is NAF?

NAF is a national network of education, business, and community leaders who work together to ensure high school students are college, career, and future ready.

Mission:

To develop rewarding relationships between the private sector and Academy students of Dillard High School by partnering highly motivated students with local business leaders creating a refreshing spirit of community that is good for business and good for education.

What can NAF do for you?

NAF can provide you the opportunities and information that you would need to help you prepare for the real world. The *Academy of Hospitality & Tourism* teaches students in the art of geography, economics and tourism business as well as hospitality.

NAF Statistics

- During the 2015-16 school year nearly 89,000 students attended 716 NAF academies across 36 states.
- In 2015, NAF academies reported 98% of seniors graduated with 92% of graduates planned to go to college.
- The NAF educational design is made up of four essential elements of practice: Academy Development & Structure, Curriculum & Instruction, Advisory Board, and Work-based Learning.
- Over the last three years the number of NAF interns in BCPS has tripled.
